

# Section 3: Tutoring Strategies, Techniques and Resources

## Overview

**Introduction** This section contains the specific workshop modules that provide new tutors with

- instructions on how to tutor using the Laubach Way to Reading (LWR) series, and
- additional resources and techniques for skills development.

*Note:* Section 3 is divided into five subsections for ease of use.

**Outcomes** At the end of this section of the workshop the participants will

- use a variety of strategies to
  - help students to recognize words and read for meaning, and
  - encourage students to write
- be aware of
  - all of the components of the LWR series
  - other supplementary teaching methods
- be able to
  - use chosen materials comfortably and effectively with a student
  - promote the transfer of skills to daily living activities
  - plan a language experience activity tailored to an individual student’s needs.
