Overview

Activity Introduction

This task uses a profile and a simple bank account application. Discuss with the learner if they have ever had to fill out an application for a bank account before. The learner will fill in the application using the information found in the profile or using their own personal information.

New words

Determine any new words that you think are being introduced in the activity and review those words with the learner.

Instructions

1. Have the learner fill in their name and the date.
2. Have the learner complete the pre self-assessment.
3. Have the learner complete the task-based activity.
4. After completing the activity, have the learner complete the post self-assessment.
5. After the learner has completed the task-based activity, complete the assessment section and review the results with the learner.

Extension activities

- Have the learner complete the form using their own information
- Have the learner bring in forms they need to complete
