

Task-Based Activity: Comparing tires

Laubach Connection: Laubach Way to Reading (LWR) Book 3, Lesson 19

OALCF Link

Relevant Goal Paths

Apprenticeship, Employment, Independence, Postsecondary, Secondary School Credit

Rationale: Learners on all the goal paths will need to be able to extract information from videos for a variety of different reasons.

Task-Based Activity Description: The learner will search for an online video (**D2**), watch the video to find out information (**A3**) and write a short paragraph (**B2.1**).

Competency, Task Group and Level Indicators

(See Assessment page for performance descriptors)

A: Find and Use Information

- **A3:** Extract information from films, broadcasts and presentations

B: Communicate Ideas and Information

- **B2.1:** Write brief texts to convey simple ideas and factual information

D: Use Digital Technology

- **D2:** Perform well-defined, multi-step digital tasks

Materials Required

- Pen or pencil and eraser
- Question sheets
- Internet access

Overview

Activity Introduction

This task uses an online video.

In lesson nineteen, Sam is driving in the snow. Discuss with the learner if they have ever driven in bad weather. Discuss the importance of having good tires. Ask the learner if they have ever purchased tires for a vehicle before.

New words

Determine any new words that you think are being introduced in the activity and review those words with the learner.

Instructions

1. Have the learner fill in their name and the date.
2. Have the learner complete the pre self-assessment.
3. Have the learner complete the task-based activity.
4. After completing the activity have the learner complete the post self-assessment.
5. After the learner has completed the task-based activity complete the assessment section and review the results with the learner.

Extension activities

- Choose another topic of interest to the learner and do the same activity
- Create a table comparing features and prices for different types of tires
