Overview

Activity Introduction

This task-based activity uses a blank home inventory template.

In lesson sixteen, Tony comes home to find he has had a break-in. Discuss with the learner if they have ever been robbed or know someone that has been robbed before. Discuss the importance of having an up-to-date list of your belongings in case you need to make an insurance claim. Ask the learner if they have ever had any trouble filling in a chart before.

Note: The learner will likely need to complete this activity at home.

New words

Determine any new words that you think are being introduced in the activity and review those words with the learner.

Instructions

1. Have the learner fill in their name and the date.
2. Have the learner complete the pre self-assessment.
3. Have the learner complete the task-based activity. They will likely have to take the activity home to fully complete it.
4. After completing the activity, have the learner complete the post self-assessment.
5. After the learner has completed the task-based activity, complete the assessment section and review the results with the learner.
