Overview

Activity Introduction

This task uses a price chart and text describing the prices of different campsites in national Canadian parks. Learners will read and analyze the provided information and answer the questions. They are allowed to use a calculator to check their answers if the question requires calculations.

New words

Determine any new words that you think are being introduced in the activity and review those words with the learner.

Instructions

1. Have the learner fill in their name and the date.
2. Have the learner complete the pre self-assessment.
3. Have the learner complete the task-based activity.
4. After completing the activity, have the learner complete the post self-assessment.
5. After the learner has completed the task-based activity, complete the assessment section and review the results with the learner.

Extension activities

- Have learners prepare an email or a phone call to book a campsite and ask specific questions.
