Overview

Activity Introduction

This task uses an information sheet for a babysitter.

In lesson two, Carla talks about her daughter Rosa and Rosa's babysitter, Mrs. King. Discuss with the learner if they have children and have ever had to use a babysitter before. Discuss the importance of leaving contact information and instructions for a babysitter. Ask the learner if they have ever had any trouble filling out a form before. Explain that the instruction sheet they will be completing is a type of form.

New words

Determine any new words that you think are being introduced in the activity and review those words with the learner.

Instructions

1. Have the learner fill in their name and the date.
2. Have the learner complete the pre self-assessment.
3. Have the learner complete the task-based activity.
4. After completing the activity, have the learner complete the post self-assessment.
5. After the learner has completed the task-based activity, complete the assessment section and review the results with the learner.

Extension activities

- Fill out the information sheet with learner's own details if applicable
- Create an information form that is personalized to the learner's situation
