Overview

Activity Introduction

This task uses an Internet website (government) where the learner will look for information related to getting a licence in Ontario.

Lesson eleven is about getting a driver's licence. Discuss with the learner if they have their driver's licence. If not, discuss whether they want to get it. Discuss with them if they have any other family members that want to get their driver's licence. Ask the learner if they have ever had any trouble finding information from a government website before.

New words

Determine any new words that you think are being introduced in the activity and review those words with the learner.

Instructions

1. Have the learner fill in their name and the date.
2. Have the learner complete the pre self-assessment.
3. Have the learner complete the task-based activity.
4. After completing the activity, have the learner complete the post self-assessment.
5. After the learner has completed the task-based activity, complete the assessment section and review the results with the learner.

Extension activities

- Research the different steps to achieve each G licence level
- Compare the costs of different local driver's education courses
