Overview

Activity Introduction

This task uses an infographic about common causes of household fires.

In lesson eleven Fern gets burned while playing with matches. Discuss with the learner whether they have ever been burned or had a family member that has been burned.

Discuss the importance of understanding the causes of common household fires and how they can be prevented.

New words

Review the new words that are being introduced. Explain the meanings of the words to the learner. Not all new words are in the new word list. You may need to review additional words as the learner works through the activity.

Instructions

1. Have the learner fill in their name and the date.
2. Have the learner complete the pre self-assessment.
3. Have the learner complete the task-based activity.
4. After completing the activity, have the learner complete the post self-assessment.
5. After the learner has completed the task-based activity, complete the assessment section and review the results with the learner.

Extension activities

- The BLEST Practitioner Guide and Learner Activities Booklet contain a module related fire safety. This activity is adapted from that module. There are several other activities that may be of interest to the learner. It can be downloaded from the LLO website.
